# Rakesh Kumar Sah

## Personal Details

- Phone : 9800213330
- Email : rakeshkumarsah2311@gmail.com
- Address : Subashpally ,jaigaon-736182 ,Alipurduar, WestBengal

## Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

## Projects

- **Open Board Application**
  Self-Learning Project
   January 2022 – February 2022
  • A Web Board for drawing and taking notes.
  • Used Socket.IO for real time data flow and Canvas api for
  graphics.
  • tech used-JavaScript , HTML , CSS , Node , Express ,
  Socket.IO

- **Hacker Rank -Automation**
  Self-Learning Project
   December 2021
  • Hackerrank automation using puppeteer js.
  • I wrote a script using puppeteer which automates the process of login and adding multiple moderators
  to multiple contests in hackerrank. The purpose of writing this script was to get familiar with automation and
  JavaScript.
  • tech used-JavaScript , Node

- **ToDo App**
  A ToDo app created using React and Firebase, with authentication system and realtime database. The Todo's has
  complete CRUD (create, read, update and delete ) functionality. The authentication system enable each user to
  create their own tasks, and database makes sure the tasks are saved and does not get deleted on quitting the app
